Using skills learned
Next Steps for Employment
Evaluation & Graduation

The Vermont Department of Labor and Center for Sustainable Practices at Vermont Tech are recruiting participants ages 18-24, to learn weatherization job skills during a two week **residential camp**.

Two sessions will be offered at the Vermont Tech Randolph Campus to learn safe work practices for the installation of weatherization materials. Participants upon completion will receive employer recognized certifications.

Hands on training in:

- Weather stripping
- Insulation
- Ventilation
- Glazing & Caulking
- Air sealing

Session 1 June 15-June 26

Session 2 July 13-July 24

Contact your local Vermont Department of Labor Resource Center to review training eligibility requirements.
